School News

JAG Students and Families,

We hope that all our Jaguar families are staying safe during these days of heat, fire, and smoke. We are looking forward to our first full week of school which is coming up and wanted to share some information to help navigate the week.

- Monday, Sept. 14th will be our first Homeroom session. Students should check the Schoology page of their Homeroom teacher to get the link to the class session. Homeroom will be the only period for which we will take attendance on Mondays.
- Textbook Checkout Makeup will be held on Tuesday, 9/15, from 4:00-7:00 PM. If your student didn't pick up his/her textbooks, please come and get them on Tuesday. You will enter campus from our FOURTH driveway (between ER and Glacier View), park in the lot, and enter the school through the doors that are closest to the fields. Before entering the building, please make sure that you use the QR code (posted outside doors) to answer a few health and safety questions. Once inside, walk down the hall towards the Commons and enter the library from there to pick up your books. **Please make sure to wear a mask and social distance.**
- Any current 11th or 12th grade student who kept their 1:1 device over the summer and would like to purchase the Puyallup Protection Plan (P3) for the 20-21 school year must do so by September 30th. The plan will not be available after that date, and students/parents/guardians will be responsible for all damages to the computer for the remainder of the 20-21 school year. If you have any questions about purchasing or turning in your Puyallup Protection Plan, please contact the school's main office.
- In last week's newsletter, we sent out a link to our ERHS expectations and tips for learning remotely. However, we had permissions set so only students could read. Here is the document again with the permissions fixed. [ERHS Netiquette](#)
- Remember that students need to be using the Microsoft Teams App and not trying to enter classes through the browser.

Together, we can do hard things. Together, we will do great things.

Ed Crow
Principal
Emerald Ridge High School

Athletics

WELCOME – to 2020-2021 athletics! Here is a [one-page document](#) that explains just about everything an athlete/family needs to know about getting cleared for ER sports. Everything is electronic, via email, using one of the links in the attachment. Kids can start getting cleared now, and they can get cleared for multiple sports (seasons) in the same process. Hoping this simplifies the athletic clearance process and provides an answer for any ER athletic clearance questions that come your way. Let me know if you have questions. We look forward to seeing our athletes in person soon.

Thank you!
Jesse Kase
Emerald Ridge HS Athletic Director
