

The Weekly Jag— May 13th – May 17th

Mr. Lasso's Principal Message

This week we are doing the Smarter Balanced Assessment for Math. **All** 10th graders, as well as 11th graders who have yet to pass, are required to take the test as this is a graduation requirement. As a result, we will have a late start on both May 14th and May 15th. The bell schedule for both days is on page 2. Please note that while both the 14th and 15th are late start days, the start time for classes is different. AP testing will also be ongoing as originally scheduled.

Also, with the warm weather starting to set in, we recognize that summer apparel is going to be more prevalent. At the same time, we want to ensure that we preserve a beneficial learning environment where student dress does not become a substantial disruption of the educational process.

We appreciate your support in talking with your student about using good judgment in choosing attire for school.

Athletics and activities

All Fall sport athletes and parents please join us for a pre-season meeting on Tuesday, May 14th at 6:00 pm in the main gym for important preseason information.

Counseling and career center

More testing happening this week! We have both Smarter Balanced and AP testing – so eat a healthy breakfast and get your sleep! Remember – classes start at 11:25 on Tuesday, and at 9:25 on Wednesday. Testing begins promptly at 7:50 both mornings!
