

The Weekly Jag—January 28th – February 1st

Principal's Message

This week counselors will be communicating with students about second semester schedules changes that need to be made as a result of students' first semester progress or the addition/removal of courses. Next week, we will start to use new texting feature as another medium to communicate important information. To opt-in just send a text message of "Y" to "67587." More information can be found [here](#).

Mission

Each student will be well-known, challenged, supported, and prepared.

Vision

Each student will graduate a resourceful, service-oriented, and thoughtful leader.

Commitments

Each educator engages in candid dialogue, collective responsibility, and continuous improvement.

Academics

This is the last full week before the semester ends on Tuesday, February 5th. We will continue with teacher-directed JAG to allow students extra time for reassessments, make up work, and teacher support. Please inquire with your student how they will be using JAG this week so they can finish strong.

Athletics and activities

As winter sports come to a regular season end, we have some outstanding Jag athletes who will be competing in post-season play! All athletes interested in a spring sport, there will be a very important athlete/parent meeting on Wednesday, February 13th, at 6:00pm in the main gym. Hope to see you there!

Counseling and career center

Sophomores & Juniors: Registration for the 19-20 school year begins this Friday! Students will receive guidance from their advisor and through a registration presentation done by the counseling team. I encourage families to check in with their student(s) about their course selections for next year. The semester is also coming to a close, and we encourage everyone to study and finish strong!

News

Reminder that the end of the semester is fast approaching! February 5th is the last day of 1st semester; we will have regular class block schedules all week, with a 2.5 hour early release on Tuesday the 5th. We are having teacher-directed JAG only over the next week. It's a good time to continue the follow up on student grades!
