BUILD CHARACTER THROUGH SERVICE AND LEADERSHIP

Our Mission Statement

Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and develop leadership.

Core Values

Leadership » Leadership is grounded in humility and service to others. A true leader listens, recognizes, and empowers.

Character building » Character is built by everyday acts of kindness, integrity and teamwork to grow stronger relationships and communities.

Caring » Compassion for others is a cornerstone of the Key Club experience, inspiring action and service to one's community.

Inclusiveness » We welcome people of all backgrounds and ethnicities to join in serving and making a positive difference in our world.

We Learn Through Action

High school student members of Key Club perform acts of service in their communities, such as cleaning up parks, collecting clothing and organizing food drives. They also learn leadership skills by running meetings, planning projects and holding elected leadership positions at the club, district and international levels.
